Fabulous holidays in Turkey to suit every taste and budget, and the best long-haul destinations for summer

## 3 DREAMY LONG-HAUL DESTINATIONS

**1 BORNEO**  
For a dream get away with a difference, the island of Borneo is one of South-East Asia's few summer destinations. The dryer weather makes it a good time for jungle trekking or just relaxing on stunning tropical beaches.

**2 SEYCHELLES**  
Our summer months are the dry season for these Indian Ocean islands – one of the world's most beautiful and romantic settings – so a perfect time to enjoy the crystal-clear azure waters and pristine white sands.

**3 KENYA**  
Head to the Masai Mara for the annual wildebeest migration and enjoy an optional hot-air balloon ride and Champagne breakfast. Greenbee Specialist Travel 10-night Kenyan Experience, standard tour from £2,995 per person.

## Opera now

*Looking for a cultural European break? Head to the Tuscan town of Torre del Lago where the Puccini Festival is held every year in an open-air lakeside theatre (from mid-July to the end of August). Operas include Tosca and Madame Butterfly, all performed just a stone's throw from where the composer lived.*

**BONUS** Craving sun and sand? Antalya ticks all the boxes with long, clean beaches, clear Mediterranean Sea and a dramatic mountain backdrop. There's a lively club scene, too, if you're up for it. Greenbee one-week breaks start from £472.

**BLOW-OUT** There are seriously impressive historical sights scattered over Turkey, once a meeting place of east and west. Join the seven-night Greenbee Classical Turkey tour from £1,050 per person to catch highlights, such as the amazing ruins at Ephesus, and Istanbul.

## Q&A

**Q** It's my husband's 60th birthday this year and I'd like to treat him with a short trip away. He loves good food and is a bit of a wine buff. Any suggestions?

**A** Our wine tours would be ideal. He can enjoy some great wines from renowned vineyards in Spain, France or Italy. See what's on offer at [greenbee.com/winetours](http://greenbee.com/winetours).
